

AEROSPACE

INNOVATION

In today's aerospace industry, there is a growing demand for lightweight, sustainable, and traceable products. Sugatsune recognizes this need and takes pride in being an AS9120 Aerospace certified company. We offer a wide range of top-quality hardware, including catches, latches, cable grommets, hinges, dampers, hooks, lid stays, and parts customized for your needs.

Our products are engineered to seamlessly integrate into your designs, meeting even the most rigorous specifications and tolerances. With Sugatsune, you can trust that your aircraft will be equipped with the highest quality aerospace-certified hardware.

CATCHES & LATCHES

Tension Catches
BCTS Series (Stainless Steel),
BCTS-85J Series (Adjustable)

Magnetic Catches
MC-JM45, MC-YN001P,
MC-JM49 (Counter Plate)

**Sliding Door Latches
With Indicator**
HC-85/S

**Push Knob For
Locking Latch**
PKL-08

**Non-Magnetic
Touch Latch**
ESN-195-3.1(mini), MC-37

LID STAYS & LID SUPPORTS

Multi-Angle Door Stay
U-3005

Locking Stay
S-21, S-23

Lid Stay w/ Lock
L-FS350A

Lid Stay
L-140S

Aluminum Slides
AR2/AR3

HINGES

Concealed Hinges
HES3D-70

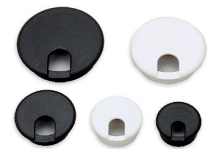

**All-Stainless Euro
Cup Hinge**
304B

**Stainless Steel
Torque Hinge**
SFTH-05-35

**Stainless Steel
Ventilators**
SAM, SAD, 1-1212, ASD

**Cable
Grommets**
S445

HOOKS

**Recessed
Hooks**
NF-60D, NF-45D (SC)

DAMPER

Torque Dampers
UDH

FASTMOUNT

PANEL MOUNTING SOLUTIONS

Fastmount®
Low Profile Heavy Duty Clips
