

CASTER WITH LEVELING GLIDE

AF-50, 65

CASTERS & LEVELING GLIDES

CASTERS WITH LEVELING GLIDES

- Heavy duty, low profile caster with built-in leveling glide.
- Allows solid support by leveler once equipment is in place.
- Simplifies mounting as leveler is integrated with caster.

Semiconductor Equipment

Garbage Container

Laser Equipment

*Round cut out or bore is required for bolt of leveler.

Installation

Part Name	Material	Finish
Body	Steel	Chrome
Wheel	Nylon	Black

Item No.	D	H	E	Swivel Radius	Load Capacity	Weight (g)	Box (pcs)	Carton (pcs)
