**VERY LOW PROFILE RANGE SERIES**

The VL-03 is made of fire grade plastic that is V-O rated by the Underwriters Laboratory (UL®). Perfect for mounting removable thin wall panels and facings. This clip set requires less depth compared to other Fastmount® ranges. No special installation tools are required. The clip set may be adhesive and/or screw fixed. Ideal for mounting panels where no drilling is preferred. Typical applications include wall panels, headboards and inspection panels.
